

Duo Pendant

Price: \$184.10 - Item Number: LF-102-001S

Overview

Duo Dual Pendant Light Our Duo Pendant is a clean, contemporary design that adds a sense of balance in any space. Depending on the size and scale of your project, this style of dual pendant lights is available in six different colors and three sizes. Refer to the size guide above for more info. You can also use our handy Customizer tool if you want to put your own spin on this design and mix up the finishes and cord colors. Aside from dual pendant light fixtures, we also have pendant lights with single, triple, or customizable numbers of ports, check out our flat and pendant chandeliers and pendant light fixtures for even more easy-to-install overhead light fixtures. About the Metal Finish: The Raw Metal finish on the light socket will age and patina differently than the rest of the fixture. As the rest of this light fixture's parts are turned in oil, they'll retain their shine for much longer. We personally love the contrast, but if it's not what you're looking for, this may not be the light fixture for you. Shop Dual Pendant Lights and More Color Cord Company is an industry-leading design resource for creative homebodies and professionals alike. We have everything you need to reinvent the lighting of any room, from handmade light fixtures to a wide variety of easily customizable lamp parts. Any questions about our products? Send us a message online or call 1.800.409.1070. Production and Shipping Leadtimes All of our fixtures and custom items are handmade to order in 7-10 business days. Expedited production is available for a rush fee, if interested contact us. Shipping speed is separate from our production lead time, please allow additional time for delivery based on your selected service at the checkout. Expedited shipping speeds do not expedite production timelines.
