

FLEUR

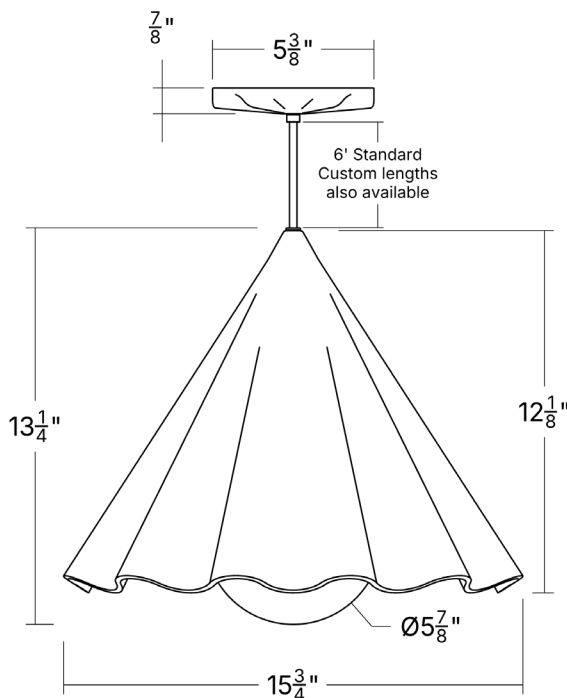

No. 12 Pendant

TPS-LF-012

DESCRIPTION:

Inspired by the folds of a flower in bloom, the Fleur collection pairs a fluted shade of raw, unglazed porcelain with a matte glass globe diffuser that glows softly when lit. The No. 12 is the largest and tallest shade in the collection, with interior hardware finished to match the selected color. Cloth-covered cord and hardware are offered in 8 standard colors, with 100+ custom cord colors and custom lengths available. Made to order and hand assembled in Denver, Colorado.
