

## Wrap Pendant

Price: \$116 - Item Number: LF-104-998

### Overview

**Bare Bulb Wrap Pendant Light** If you're looking for an industrial take on the perfect blend of form and function, this exposed bulb pendant light is for you. Sleek and trendy, our bare bulb pendant light features a perfectly round light bulb (sold separately) hanging from premium cloth-covered electrical wire. With a section in the middle where the cord wraps around a metallic embellishment, you can adjust your fixture's height and length ever-so-slightly. Discover a fixture that you can modify to fit any space when you shop now! Available in four finishes, choose between raw aluminum, polished copper, black, and white for cord, ceiling mount, and socket. Are you looking to customize this piece a little more? Visit our pendant customization station to choose from nearly endless color combinations, light bulb styles, cord lengths, and more. **Modern Minimalism** At Color Cord Company, we love this bare bulb pendant light because it's the perfect example of our minimalist aesthetic. It's also an easy-to-install piece that's perfect for every project! From the largest office building to the smallest room in your home, our light fixtures are ideal for homeowners, interior designers, and DIY-ers alike. **Production and Shipping Lead Times** All of our fixtures and custom items are handmade to order in 7-10 business days. Expedited production is available for a rush fee, if interested contact us. Shipping speed is separate from our production lead time, please allow additional time for delivery based on your selected service at the checkout. Expedited shipping speeds do not expedite production timelines.
